

BRENTWOOD ACADEMY

Winterim

Education Beyond the Classroom

Winterim Information

Purpose and Goals

Winterim is designed to challenge students to expand their knowledge beyond present experiences and to encourage a love of learning. This is accomplished by a small group of students working closely with a faculty member in various non-traditional experiential courses. Winterim provides opportunities to fulfill the school's mission through exploration in academics, arts, outdoors, and athletics. Enrichment opportunities are also offered through cultural exchanges, community service, and internships. The goals of Winterim include:

- To expand the student's worldview and knowledge through exposure to new ideas, new cultures, and/or new skills.
- To deepen relationships among students and faculty by working together in small groups.
- To model a love of learning through faculty involvement with students.
- To eliminate the misconception that learning only occurs in a classroom environment and, thus, developing lifelong learners.
- To reinforce ideas or concepts taught in the classroom in a different environment.

Directions for Winterim Online Registration via Campbrain

Students may register any time after their grade sign-ups begin. See www.baeagles.com/winterim for dates. Any student who fails to comply and sign up before registration closes will be placed in a course with open spots and receive three (3) hours of Saturday detention.

BEFORE REGISTRATION BEGINS

We recommend that you set up an account in Campbrain BEFORE registration opens to expedite the process on your designated grade level date. After this date, you will be required to set up the account DURING the registration process.

STEP 1: UPDATE your Household information and/or ADD a new student.

Log into your WINTERIM account at:

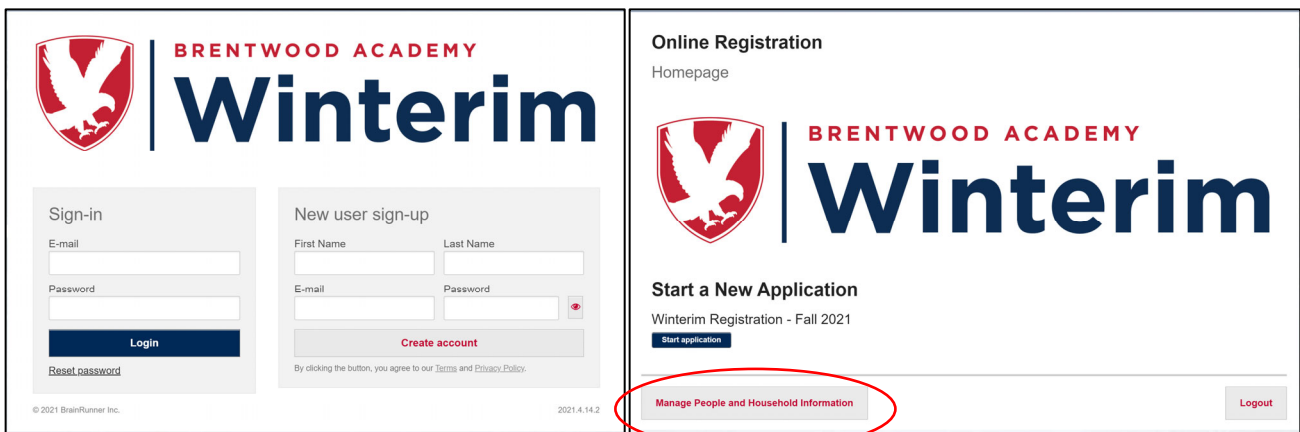

<https://baWinterim.campbrainregistration.com>

-OR-

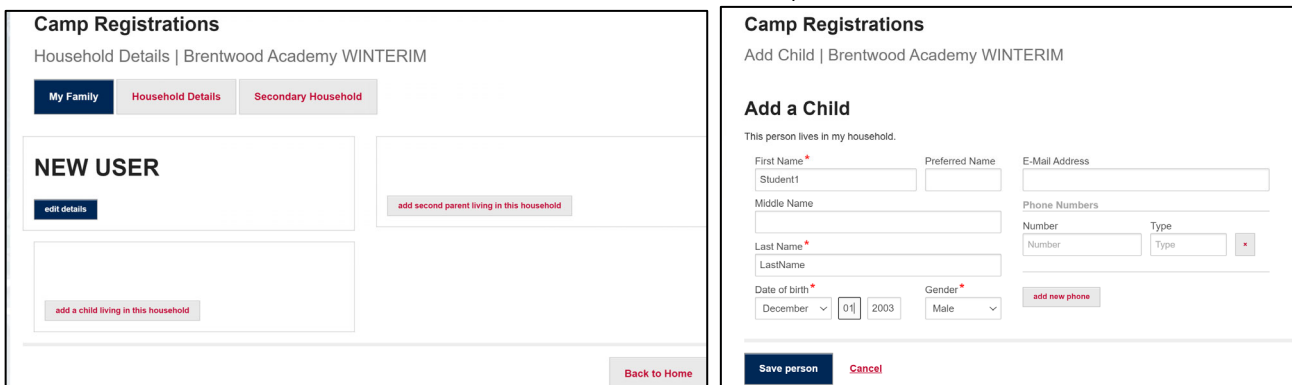

Create an account with a LOGIN and PASSWORD at:

<https://baWinterim.campbrainregistration.com>

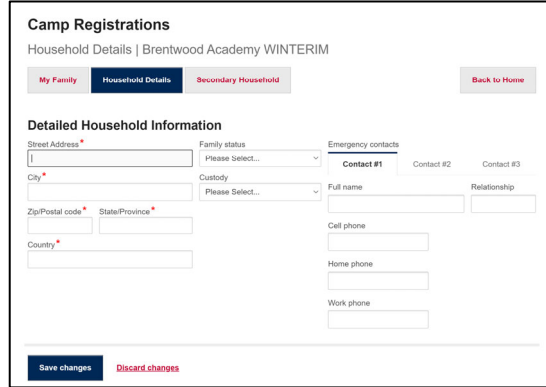

Click on **MANAGE PEOPLE AND HOUSEHOLD INFORMATION** to update your account or to add students.

- **MY FAMILY** — Add at least ONE PARENT and ONE STUDENT to your account.

HOUSEHOLD DETAILS — Add your mailing address (required).

What if the course you want is full?

Complete the registration for another course. You may sign up on the waitlist for your first choice by carting the course OPTIONAL WAITLIST. If you are moved into your waitlisted course, any money paid will transfer.

What if I sign up for a course that doesn't make?

On the form you will indicate your 1st, 2nd, 3rd Winterim preferences. There are times when a course does not have enough students sign up for the course to make. In those cases, we work to place you in an alternative course based on your preferences listed.

Am I guaranteed to remain in the Winterim course of which I have registered? No, many changes occur during the registration process. Registration is your indication of which course you would like to take. However, sometimes students are moved due to courses not making required minimum number of students. If this happens, students are placed in priority by the time of registration into their 2nd choice. This could cause students who registered later to be moved into their next choice course. This movement is common with underclassmen, due to grade priority of registration times.

Rules and Regulations

- **All students in grades 9-12 must participate in a Winterim course.**
- **Winterim days are considered academic days in our school calendar.** The BA attendance policy applies during Winterim; this includes the policy for parent request and college visit days. Each unexcused absence from a Winterim program will result in an automatic Saturday detention.
- Once a student has been placed in a course, changes may not be made. Therefore, it is imperative that the student and parent discuss cost options for Winterim courses. Please do not register for a course if all course requirements, including costs, cannot be met.
- Individual Winterim courses will not be allowed; such courses do not meet the goal of small group interaction. All students should choose a Winterim course from the courses provided. A student choosing an alternative program will have to use his/her parent request days.
- Only students in grades 10-12 may travel out of state. (Registration for Educational Travel opens in the Spring.) Students in grade 9 should select a local or in-state course.
- No one may participate in a course in which he/she has participated in any previous year.

Contact Information

- Any questions regarding a specific Winterim course should be directed to the course sponsor listed.
- Questions regarding the program should be directed to the Winterim directors by email via Winterim@brentwoodacademy.com.
