

Athletics-Summer 2020 Information

Most recent update: August 4, 2020:

Middle School Boys Golf Tryouts

This document contains the most current and comprehensive information regarding summer practices and workouts for middle school and upper school teams. This document is updated as new information becomes available and will be uploaded to the New Families page and Current Families pages of the BA website whenever new information is added.

All physical forms and concussion forms must be signed and turned in to coaches before first official practice of the upcoming season. These forms can always be found on Family Portals under Resources. Then click the forms tab, where you will find the athletics link.

In light of Governor Lee's most recent COVID restrictions, we are not confident we will be able to provide a full football season for our 6th grade boys in HVAC-Jr division. If your son has the opportunity to participate in a youth football program this fall, we would encourage you to pursue that opportunity and give your son the best possible football game experience. For the first quarter of PE, our coaches will provide a football experience for 6th grade boys who want to become better football players. We will practice together as a 6th grade group working on fundamentals and skill development in a setting resembling a football camp.

Summer plans have changed since the Governor's restrictions on basketball games required the cancellation of summer Flight League. We will practice on the following Monday nights.

July 6-20 Monday evenings from 7:00-8:30 PM in middle school gym

MS Girls' Basketball (6-8)-winter sport

Contact: Tim Reid (615) 886-8697 / tim_reid@brentwoodacademy.com

With Flight League being cancelled due to COVID-19, our plans for Flight League play have been shelved as well as team camp at MTSU. We will practice this summer, but dates and times are still undecided. Please contact Coach Reid if you have interest in middle school girls basketball and he will add you to his contact list.

We encourage our Brentwood Academy swimmers to join their neighborhood swim teams. Williamson and Davidson counties have summer swim leagues with more than 20 teams in each league (please check league websites for alternative schedules for this summer.) Summer swimming is a great way to stay in shape, make new friends, and hone your swimming skills while having fun. If you want to train with varsity coach Jim Chapman, he will be coaching the Nolensville Rec Center Hurricanes. Several BA swimmers train year-round with Excel Aquatics, Nashville Aquatic Club, Ensworth Aquatic Club and, if you're from the Wilson County area, Middle Tennessee Swim Club. The best area swim coaches work for these teams and the training is not only more difficult, but also outstanding. Go AquaEagles!

We began workouts and practice on May 27 with some social distancing regulations (skill development with no contact, shooting, groups of 10, etc.) Therefore, we will not participate in any team camps or have contact practices until June 15. On June 15, we are able to begin normal lifting and practicing while still taking precautions (taking temperatures and monitoring athletes for virus symptoms.) Because of this schedule we will not hold tryouts until the fall; however, we may make cuts at the coach's discretion. We will allow everyone to lift and go through our individual workouts through June. We will work athletes through weights and shooting/skill workouts in groups of 10.

June 1 Tryouts 2:00 PM Harpeth Hills Golf Course

BA sponsors competitive varsity golf for boys and girls. Given the relatively short season (beginning of school through mid-October) and limited golf course availability, we do not offer a JV or developmental squad. The program seeks to identify players with skills to compete effectively with other schools in our division. The target score for boys is 85 from the blue tees and 90 for girls from the red tees. Returning team members do not have to try out. There are two spots open for boys and one spot open for girls.
